## YOUR STOREKEEPER is behind the age

if he doesn't keep SAPOLIO in stock. No city store is without it. The great grocers of the country handle no other scouring soap because the best home-keepers will not use cheap imitations which are liable to do damage far greater than the little saving in cost. If your storekeeper does not keep SAPOLIO tell him to wake up. If he offers you something else when you ask for SAPOLIO tell him to be wise and deal in genuine goods.

It pays to have the best.

### Fashion's favorite

fad, centers in that famous, fascinating game—lawn tennis.

But there are women who cannot engage in any pastime. They are delicate, feeble and easily exhausted. They are sufferers from weakness and disorders peculiar to females, which are accompanied by rallow complexion, expressionless eyes and languid looks.

For overworked, "worn-out," "run-down" debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest curative. It is the only medicine for women, sold by druggists, under a positive guarantee from the makers of satisfaction in every case, or money refunded. This guarantee has been faithfully carried out for years.
